

July 6, 2009

Dear Kindergarten Parents,

Welcome to Koraes School! The summer is flying by and it is now time to think about the first day of school. We are looking forward with great anticipation to the “big day” for your little one.

Our kindergarten teacher this year will be Mrs. Lisa Horn. Lisa has been our kindergarten teacher for the last five years and has 13 years of teaching experience. She and Mrs. Voula Galanis, our teacher aide, are eagerly waiting to work with all of the children.

Mrs. Horn’s supply list is located on our school website www.koraes.org under the “teacher” category. By clicking on “kindergarten” you can find the list and a suggested summer reading list. Also posted is the format for the book report that we ask your child to complete and bring to school on the first day.

**You Are Cordially Invited to Attend
Kindergarten Orientation 2009-2010
Friday, August 28th
10:00 a.m. – 11:00 a.m.
East Room**

This meeting is for parents only so if you could make arrangements for childcare, we would greatly appreciate the effort. During this orientation, Mrs. Horn and I will be going over policies, procedures, and other important information. We will also be happy to answer your questions at this informational meeting.

We want your child’s first day of school to be a positive and warm experience. By working together, we can be certain that the beginning of your child’s academic journey at Koraes will be a memorable and meaningful event.

Sincerely,

Mary C. Zaharis
Principal
