Two Payment Options:

(1) Pay tuition in full and all mandatory fees per child (listed below) at time of registration.
\$50/child discount will be given at time of full payment.

(2) Make the initial tuition payment due (as listed below) at the time of registration and all mandatory fees per child (listed below) and pay the rest of your tuition over 9 months (as per the schedule below)

80% of your tuition will then be paid across 9 months beginning in October 2010-June 2011 by enrolling in our automated FACTS Management Tuition Payment System (no exceptions).

FINANCIAL AID: While our resources are limited, some amount of financial aid is available to those families who demonstrate need.

Families should apply immediately. Any portion of tuition not covered by financial assistance will be divided into 9 equal payments that must be made through FACTS Management.

If financial assistance is needed, please apply by calling George Argires at 708.204.4983 or notifying your Clergy.

A confidential meeting will be required to review in detail family finances to be considered for assistance.

During this meeting, families will also be asked to clearly identify what level of tuition they can afford to pay on a monthly basis.

All of this information will be needed before determining level of need. Deadline for applying for financial aid is Sept. 1, 2010.

Awards will be given by October 1st for the school year. Funds are limited and will be distributed based on demonstrated need and number of applicants.

To register your child(ren) for this school year, all previous fees and tuition must be paid in full.

The Koraes School Board reserves the right to hold final report cards, transcripts, and diplomas from any student(s) until all tuition and fees owed to the School are paid in full. By enrolling your child(ren) in our school you FULLY UNDERSTAND AND ACCEPT THIS POLICY.
