Students are eligible for band beginning in 4th grade. *More information will be given to students at the concert and instrument trials.*

Assembly Concert: Monday, September 9th, 2019 2:15 pm – 2:45 pm

The concert assembly includes a half hour performance by a professional trio for all students in 4th and 5th grades. Interested older students can also be invited, and 3rd graders can also attend on an observational basis (students are not eligible for band until 4th grade).

Instrument Trials: Tuesday, September 10th, 2019 2:30 pm – 3:00 pm

All students in 4th & 5th grades and any interested 6th, 7th, & 8th grade students will have the opportunity to try a few instruments in order to determine their interests, natural ability, and match his or her interests to an appropriate instrument. This process is done one classroom at a time with each classroom taking 25-30 minutes.
